P.C. No. 785.
AT THE GOVERNMENT HOUSE AT OTTAWA.
Wednesday, the 20th day of May, 1925.
PRESENT:
HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that it has been the practice, when disposing of lands in the Railway Belt in the Province of British Columbia by way of homestead entry or sale, to reserve therefrom the timber, save to a limited extent under certain conditions:

That it has been found in actual practice that where timber is so reserved to the Crown it is impossible to dispose of such timber to persons other than the owners of the surface rights, and that a reservation to the Crown of the timber merely retards the development of the land; further, that in cases where the land has been set aside as being specially valuable for subdivision purposes it is of primary importance that the title to the timber should follow the title to the surface rights, and that where land is specially subdivided for summer-residence purposes the timber often forms the principal attraction:

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, and notwithstanding anything to the contrary contained in the regulations for the survey, administration, disposal, and management of Dominion lands within the Forty-mile Railway Belt in the Province of British Columbia as established by Orders in Council, is pleased to make the following regulations with regard to the disposal of timber in the tract aforesaid, and the same are hereby made and established accordingly:—

REGULATIONS.

1. While adhering to the practice of withholding from sale and settlement land in the Kamloops Division containing more than 2,000 feet B.M. of merchantable timber to the acre, and land in the Coast Division and the wooded portion of the Revelstoke Division containing more than 5,000 feet B.M. of merchantable timber to the acre, the Minister of the Interior is hereby authorized to dispose of land within the Railway Belt in the Province of British Columbia for special subdivision purposes, and the letters patent granted to the purchasers of the lots in any subdivision shall be issued without any reservation to the Crown of the merchantable timber growing thereon.
2. Where letters patent have been issued for lands in the Railway Belt in which the timber is

reserved to the Crown, and where it is shown on inspection by an officer of the Department that there is not more than 2,000 feet B.M. of merchantable timber to the acre on lands in the Kamloops Division, nor more than 5,000 feet B.M. of merchantable timber to the acre on lands in the Coast Division and the wooded portion of the Revelstoke Division, the Minister of the Interior may issue supplementary letters patent to the owner of such lands conveying the right to the timber; provided, however, that such timber is not held under licence or permit.

Clerk of the Privy Council.

The Minister of the Interior. 9475-je11

Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral

district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. 78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.
